LOUBET DEEPLY TOUCHED.

GRACEFUL ACKNOWLEDGMENT OF MCKINLEY'S MESSAGE.

(By Telegraph to Virginian-Pilot.)

Washington, April 13.—The State Department to-day made public the following message from President Loubet, of France, in reply to that sent yesterday by President McKinley:

Paris, April 12.

To His Excellency William McKinley, President of the United States, Washington:

I am deeply touched by the sentiments which Your Excellency was pleased to express towards me on the occasion of the signing of the ratification of the treaty of peace between the United States and Spain, and I heartily thank you therefor. I especially desire to assure Your Excellency of the sincere desire of the Government of the Republic, and its President constantly to draw closer the bonds of traditional friendship which have so long united the two great Republics.

THE TRIAL OF QUAY.

THE DISTRICT ATTORNEY GAINES A SIGNAL VICTORY.

(By Telegraph to Virginian-Pilot.)

Philadelphia, April 13.—Proceedings in the trial of ex-Senator Quay to-day were tedious but nevertheless interesting in their bearing upon the future of the case. District Attorney Rothermel placed upon the stand in succession the paying teller, receiving teller and bookkeepers of the broken Peoples Bank to prove the books. All of these, in answer to questions, made reference to Senator Quay's account, and the bookkeepers said they had entered the figures, but none of the books were opened to show what the nature of the account was. This was done later. All of the bank employees on cross-examination stated that they had never seen Senator Quay's deposit book, and they did not believe there was one more.

AN INTERESTING WITNESS.

The most interesting witness of the day was Clay Kemble, son of William H. Kemble, deceased, the founder of the Peoples Bank. Mr. Kemble was assistant cashier and a director as well. He did not take a very active part in the operation of the bank, being there as a representative of his father's estate.

DUTIES OF HOPKINS.

When asked what Hopkins duties were, he replied: "He was the whole bank." While this witness was on the stand the District Attorney gained a signal victory by securing the admission of the minute book of the bank, in which Cashier Hopkins kept a record of the meetings of the Board of Directors.

A DAMAGING LETTER.

The particular entry bearing on the Quay case, which the District Attorney was anxious to get in, is under date of August 3, 1896. It reads: "The only offering for a loan before the board was the note of (Senator) Arthur Kennedy and R. R. Quay, indorsed by M. S. Quay, with stock of \$100,000. It was agreed to take this loan provided R. R. Quay complied with the president's request for a certain letter."

The "certain letter" is the one which is regarded as the most damaging evidence against Senator Quay's son. It is as follows: Commonwealth of Pennsylvania,

Treasury Department,
Harrisburg, Pa., July 31, 1896.

James McManes, Esq., People's Bank, Philadelphia:

Dear Sir: On Monday we will mail you a check for \$100,000 for credit of Commonwealth of Pennsylvania general fund, which will make a credit to our account of \$500,000.

The understanding is that I am not to draw against any part of this deposit until the Hon. R. R. Quay has paid or arranged satisfactorily to you the loan of \$100,000, which you are to make him next week.

Very truly,

"P. I. HAYWOOD,
"State Treasurer."

Pennsylvania's Senatorial Deadlock.

(By Telegraph to Virginian-Pilot.)

Harrisburg, Pa., April 13.—A meeting of the anti-Quay Republicans was held to-day, at which it was decided to send a communication to Senator John C. Grady, chairman of the Republican caucus that nominated Senator Quay, suggesting that a committee of conference be named on the part of those voting for Mr. Quay to confer with a like committee on the part of those opposing him with a view of adjusting factional differences and securing the election of a Senator.

Mr. Grady this evening replied to Senator Flynn, stating that he had no authority to appoint such a committee, but that he would issue a call for a conference of members voting for Mr. Quay for Monday evening, when the matter would be discussed. Mr. Flynn issued the call this evening. The joint ballot to-day resulted in no election.

CHASE OF MURDERER.

GEORGIA NEGRO WILL BE BURNED IF CAUGHT.

(By Telegraph to Virginian-Pilot.)

Atlanta, Ga., April 13.—Governor Canfield late this afternoon offered a reward of \$250 for the apprehension and delivery to the sheriff of Fulton county at the jail in Atlanta of Sam Hose, a negro who last night killed Alfred Cranford, a well known young white farmer, who lives four miles from Palmetto, Ga. Hose killed Cranford yesterday afternoon while the farmer was sitting at supper with his wife. The negro suddenly walked in at the open door and before Mrs. Cranford could utter a word of warning, struck her husband a terrific blow with an axe in the back of the head, fracturing the skull and causing death in a short time. The negro then assaulted Mrs. Cranford and made his escape. Bloodhounds were put on the trail and all day long the chase has continued throughout Campbell and into Coweta counties. The negro's coat was found and the posse with their dogs are hot on the trail, but at a late hour to-night the negro had not been caught.

A citizen of Palmetto, who arrived in Atlanta on a late night train, says Mrs. Cranford has asked permission to witness the execution of the negro who killed her husband, but this will not be permitted. The impression is general in the little town that the negro will be burned at the stake when caught.

New Industries Established.

(By Telegraph to Virginian-Pilot.)

Atlanta, Ga., April 13.—The weekly construction editor of the Southern Railway has reported to-morrow the following new industries: New cotton mills each in Alabama, Mississippi, Tennessee, North Carolina and Georgia, also \$100,000 additions to cotton factory plants in Georgia; two cotton seed oil mills in Mississippi, one in Tennessee, one in Texas, two municipal buildings in Kentucky; court-houses in Tennessee, Louisiana and Texas; twenty-four churches and school houses in Southern States generally; seventy-five new residences exceeding \$1,000 in value in Southern States generally.

Montgomery Presbytery Adjourns.

(By Telegraph to Virginian-Pilot.)

Lynchburg, Va., April 13.—In the Presbytery of Montgomery to-day a call was received from Conway, Arkansas, for Rev. J. C. Shive. He was dismissed to the Presbytery of Arkansas, and his pastoral relations were severed with Fincastle and Mount Zion.

The report of the Committee on Education was read by the chairman.

The moderator announced the following delegates to the General Assembly which meets in Richmond, May 18th: Rev. P. B. Price and Rev. Frank Price, ministerial; Rev. F. T. McFadden and Rev. J. A. McMurray, alternates; Messrs. M. Clark and R. B. Stratton, elder delegates; Messrs. J. C. Schultz and J. A. Mann, alternate.

It was decided that the next meeting of the Presbytery would be held in Bluefield, W. Va., next fall.

Rev. J. F. Matheson resigned his pastorate of Bramwell Church, and was dismissed to Newmarket Presbytery.

Lieutenant L. S. Harner successfully passed his examinations with a view to ordination.

Tennessee Lawyer in Trouble.

(By Telegraph to Virginian-Pilot.)

New York, April 13.—A. S. Colyar, Jr., the Tennessee lawyer who was arrested yesterday, was to-day arraigned in Police Court on a charge of conspiring to prepare the arrest, kidnap and confine Nicholas A. Hickman. The examination was set for to-morrow. Colyar's bail was placed at \$2,500.

The name of Arthur A. Carey was signed to the complaint. M. Blumen-thal and "John Doe" were mentioned as fellow conspirators. Other arrests may follow in Tennessee.

A Ship Missing.

(By Telegraph to Virginian-Pilot.)

Halifax, N. S., April 13.—The Austria, a full rigged ship, owned by Churchill & Son, of Hantsport, N. S., which left Mobile, Ala., for Belfast, Ireland, about the end of January, has not reached her destination, and much anxiety for her safety is felt, as she should have completed her voyage in forty or forty-two days. She is of 3,000 tons and cost about \$100,000. Her cargo is valued at \$10,000. She carried a crew of twenty-three. At Lloyds the ship is being insured at 85 guineas.

BERKLEY.

The piano recital given last night at the Berkley Avenue Baptist Church by Professor Eugene Marks, organist of the Freeborn Street Baptist Church, and several talented members of his choir, was a grand success.

The following program was rendered: Piano Solo, "Military Polonaise"; Chopin Quartette, "Evening Hymn"; Concerto Trio (female voices) "O Jesus, Thou Art Standing"; "Chariot"; Claribel Piano solo (a) Scherzando, Chaminade (b) Impatience, Marks (c) Minuet, Marks (d) Ravina Duet, "My Faith Looks Up to Thee"; Soprano Solo and Quartette, "Gilder Me, O My Father"; Glider Trio, "Hear Our Prayer"; Abbott Piano Solo, "Locking"; Lange Quartette, "Love Divine"; Heins-Marks Piano Solo, "Second Rondo Chromatique de Concert"; Barnekov

The playing of Professor Marks was of a decidedly artistic character and reflected credit on his ability, and on his numbers being played entirely from memory. Lack of space forbids mentioning the manner in which the vocal numbers of the program were rendered. Suffice it is to say that the rendition of each number reflected much credit on those who participated.

BREVITIES.

The manager of the entertainment for the benefit of the Presbyterian Church and the Knights of Pythias, Berkley Lodge, No. 41, wish to thank their friends, who so cheerfully and helpfully assisted them in their undertaking, and contributed so much to its success.

Miss Laura Thompson, of Washington, D. C., formerly of this place, having graduated in kindergarten work, expects to start a class in Berkley. We wish her success, as it is a new thing for this town, and will prove amusing and instructive for the little children.

BASEBALL.

There was a game of baseball yesterday afternoon at 4:30 o'clock between "The Yellow Kids" and "The Barry Shore Bullies," which resulted in the following score: Yellow Kids, 16; Barry Shore Bullies, 15. Batteries: Dashiell and Jones; Herbert and Bell.

An advertisement in another column of sale of a grocery store, stock and fixtures, offered cheap to a quick buyer. The store is a commodious, handsome brick building, in a business locality, and on the principal thoroughfare of the town, and has always been a center of a large trade. The owner sells because of bad health.

The revival services in progress at the Main Street Christian Church continue to grow in interest as an evidence of which the church is crowded each night.

To-night from 7:15 to 7:45 o'clock the Christian Endeavor Society of the church will conduct a praise and experience meeting preparatory to the regular service. The president requests the presence of each member of the society.

Mr. W. A. Webb, on No. 2 shifting engine of the Belt Line railroad, met with quite a serious and painful accident yesterday afternoon at 3:20 o'clock in the loss of his right leg by two of the tender wheels passing over it. He was standing on the step of the tender, the engine running backward, when he fell off and ran forward to change a switch, and in his hurried effort he stepped on an oxter shell, his foot slipped from under him and he fell across the rail in front of the engine, but succeeded in clearing his body all but his right leg. The tender wheels passed over it just above his shoe top, crushing the leg off all but the sinews.

The aid of Dr. Morgan was secured at once, as he was passing at the time the accident occurred, who bound up his leg and the patient was taken to his office, where Drs. Morgan, McNamara and Wilson performed a most successful operation, after which the patient was taken to his residence, No. 800 Washington street, Portsmouth.

The "Lunk Strikers" and "Berkley Gentlemen" will play a game of ball this afternoon at 4 o'clock.

Mr. Wallace Winborn, of Edenton, N. C., was in town yesterday on business.
